Niche Products & Solutions Framework

Manager	Player	Hardware	Data & Media Formats Supported	Displays	Software interfaces	Comm. Ports	Devices	Networks types	Protocols
Flexible Layouts	Rule Driven Downloads	Rack mount 1u - 4u	Extensive Image Formats	All sizes of LCDs	Database Views	RJ45 Network Port	Keyboard Shortcuts	LAN- Local area	TCP/IP protocol
Parameter Driven Schedules	Smooth Playback	Desktop /Industrial Chasis	Wide range of Movie formats	All sizes of professional displays	ODBC connectors	USB 2/3 port	Touch Screen / Multi touch support	Wi-Fi wireless network	HTTP communication
Optimised Upload	LAN/WAN /Internet Streaming	Backplane with expansion slots	Flash Animation	Looped Video walls	Third party SDK/API	Serial RS 232 port	Kinect Gesture interface	WAN - wide area	FTP Data transfer
Powerful Monitoring	Multi Channel Encoding	Video Capture Cards	Text files	Asymmetric Video wall	XML Files	RS422 long range port	Proximity /Touch Sensors	Internet - global network	SFTP Data transfer
Detailed Logging	Configurable Triggers	Multiple Display Cards	XML tagged information	IP driven LED Boards	Excel Sheets (with macros)	Bluetooth Communication	IR Remote Control	3G - High speed mobile Network	UDP Communication
Extensive Reports	Edge Blend content	Multiple LAN ports	MS Office Files	Single/Stacked Projectors	Flash Files with External data	RF(Wireless Devices)	Automation & Control systems	VSAT - Satellite Network	SNMP Traps
Instant Alerts	HD Recording	Redundant Cooling fans	Proprietary formats with viewers	Legacy CRT displays	Web services	Proprietary ports with SDK	GSM Modem		
	Extensive Logging	Redundant Power supply					IP Camera /DVR		

*Niche products & solutions are designed with compatible components
